**BIU General Secretary ask to Presidium**

To vote, with BIU Electronic Vote System, about following questions:

Dear BIU Presidium Members,

After careful discussion inside BIU Presidium, regarding the international health emergency we live in these days.

Taken note the following points:

- 1) WBC 2020 must be organized with great advance. With this emergency it is not possible.
- 2) Confusion and insecurity are diffuse in all Countries. All Nations are in the same conditions.
- 3) National Governments are not in the position to give clear instructions about travels, restriction's deadline, conditions for stay abroad.
- 4) Some Governments probably will put heavy restrictions to some destinations during the whole summer.
- 5) Flight costs are growing over and over every day. Flight in July will be very very expensive.
- 6) WBC 2020 is provided for 3 August, very close to July.
- 7) Organizer of international event risks a lot of money and we have the duty to help him in the best decision.
- 8) BIU has the duty to create best conditions for Riders and share with them all information about the events.

As already discussed I propose to vote about the definitive deletion of WBC 2020 provided in Reinosa, Spain, from 3 to 9 August 2020.

Reinosa City will have precedence as candidate for WBC 2021.

Best regards,

Giuliano Gualeni
