## WELCOME TO THE WORLD BIKETRIAL CHAMPIONSHIP 2026

### Welcome in Alpette

Dear athletes, dear guests,

Alpette is proud to host the World BikeTrial Championship 2026, and we aim to honor this event in the best possible way.

Once again, our town becomes the stage for a major international sports event. Following the successful hosting of numerous national Bike Trial competitions, the Municipal Administration enthusiastically accepted the proposal to bring a World BikeTrial competition to our territory.

I am confident that, as in the past, the Municipal Administration and all the volunteers involved will give their utmost to ensure the flawless execution of the event, providing complete satisfaction to both competing athletes and the attending audience. This will further solidify Alpette's reputation as an optimal venue for hosting such sporting events, leveraging the characteristics of the surrounding mountainous territory to create an ideal stage for high-level competitions.

On behalf of myself and the entire community of Alpette, a warm welcome to all members of the World BikeTrial Championship 2026 entourage, and best of luck to all competing athletes!

*Mr. Pio Graziano Goglio – Alpette Mayor*

### Welcome in the Italian BikeTrial family

Alpette will host the World BikeTrial World for the first time, after four editions of National BikeTrial Championship, and many Moto Trial races as per tradition of Valli del Canavese Trial Team. Over the years, this location has proven to be one of the best for our events.

All the BikeTrial area are natural terrain, with small to giants rocks, in a beautiful and cool forest.

Alpette in August has a very temperate climate (Max. 24 °C, Min. 13 °C / Max. 75 °F - Min. 55 °F), Alpette is waiting for you.

Thanks to the Municipal Administration for his availability, I look forward to seeing many of you for this new exciting moment of meeting and as always: Viva Trial!

Don't miss the World BikeTrial Championship 2026 in Alpette !

*Mr. Giuliano Gualeni – Italian BIU Delegate*
