

Bike Trial World Championship IGUALADA

19-20 July 2013

Igualada, Bike Trial World Championship

ORGANISATION

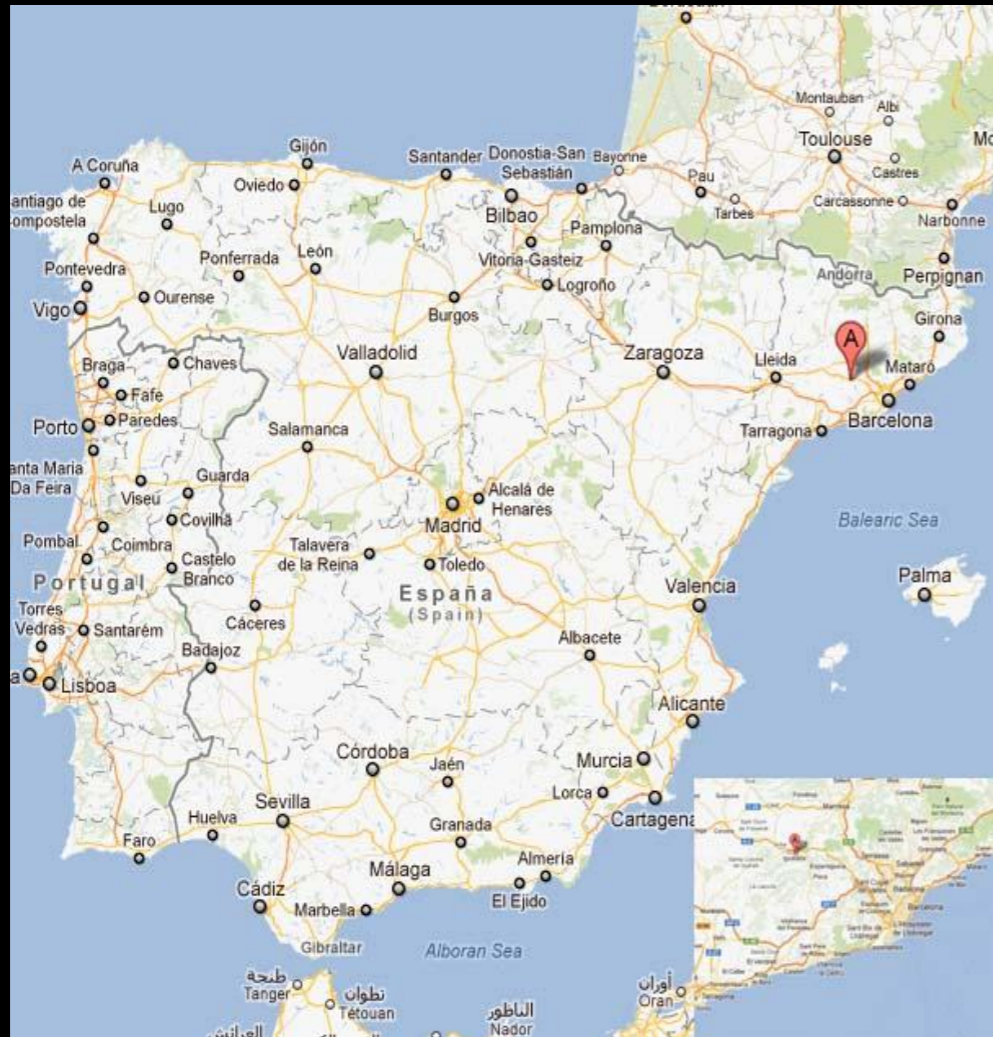

Ocisport will be responsible for the organisation of the event, with years of experience in the organisation of sports events such as Olympic Mountain racing Games, World Cup racing mountain-bike, running Championships and cups of Spain, as well as Championships of ski mountain and outdoors active sports fairs, among other equally.

It also will feature the collaboration of Igualada Moto Club, which recently organised an Enduro World Championship.

REGISTRATIONS AND INSURANCES

The pilots have to have the licence expedited this year by the Bike Trial Union. The registration paper has to be send by the delegate or the BNU of the country, to the BIU office. The last day to enter de pilots will be one month before the race.

The registration price is 30€ for pilot, and the amount has to be paid by the delegate to the anfitrión delegate before the first reunion of the jury the same day of the event.

The organisation will not give accident insurance to the pilots because each pilot has to have his own insurance.

HOSPITALISATION

The organisator will give the minimal medical services during the competition. If it was necessary any hospitalisation, it would be given the ambulance service until the hospital. All the hospital services that are out of the insurance cover necessary for the athlete, they will be paid by the pilot.

RULES

The competition will be organised according to the international technical rules of the **BIU, mod.19**, and the categories will be:

ELIT According to the ranking BIU
