REGISTRATIONS

The pilots have to have the licence expedited this year by the Bike Trial Union.

The registration paper has to be send by the delegate or the BNU of the country, to the BIU office. The last day to enter de pilots will be one month before the race. The registration price is 30€ for pilot, and the amount has to be paied by the delegate to the anfitrion delegate before the first reunion of the jury the same day of the event.

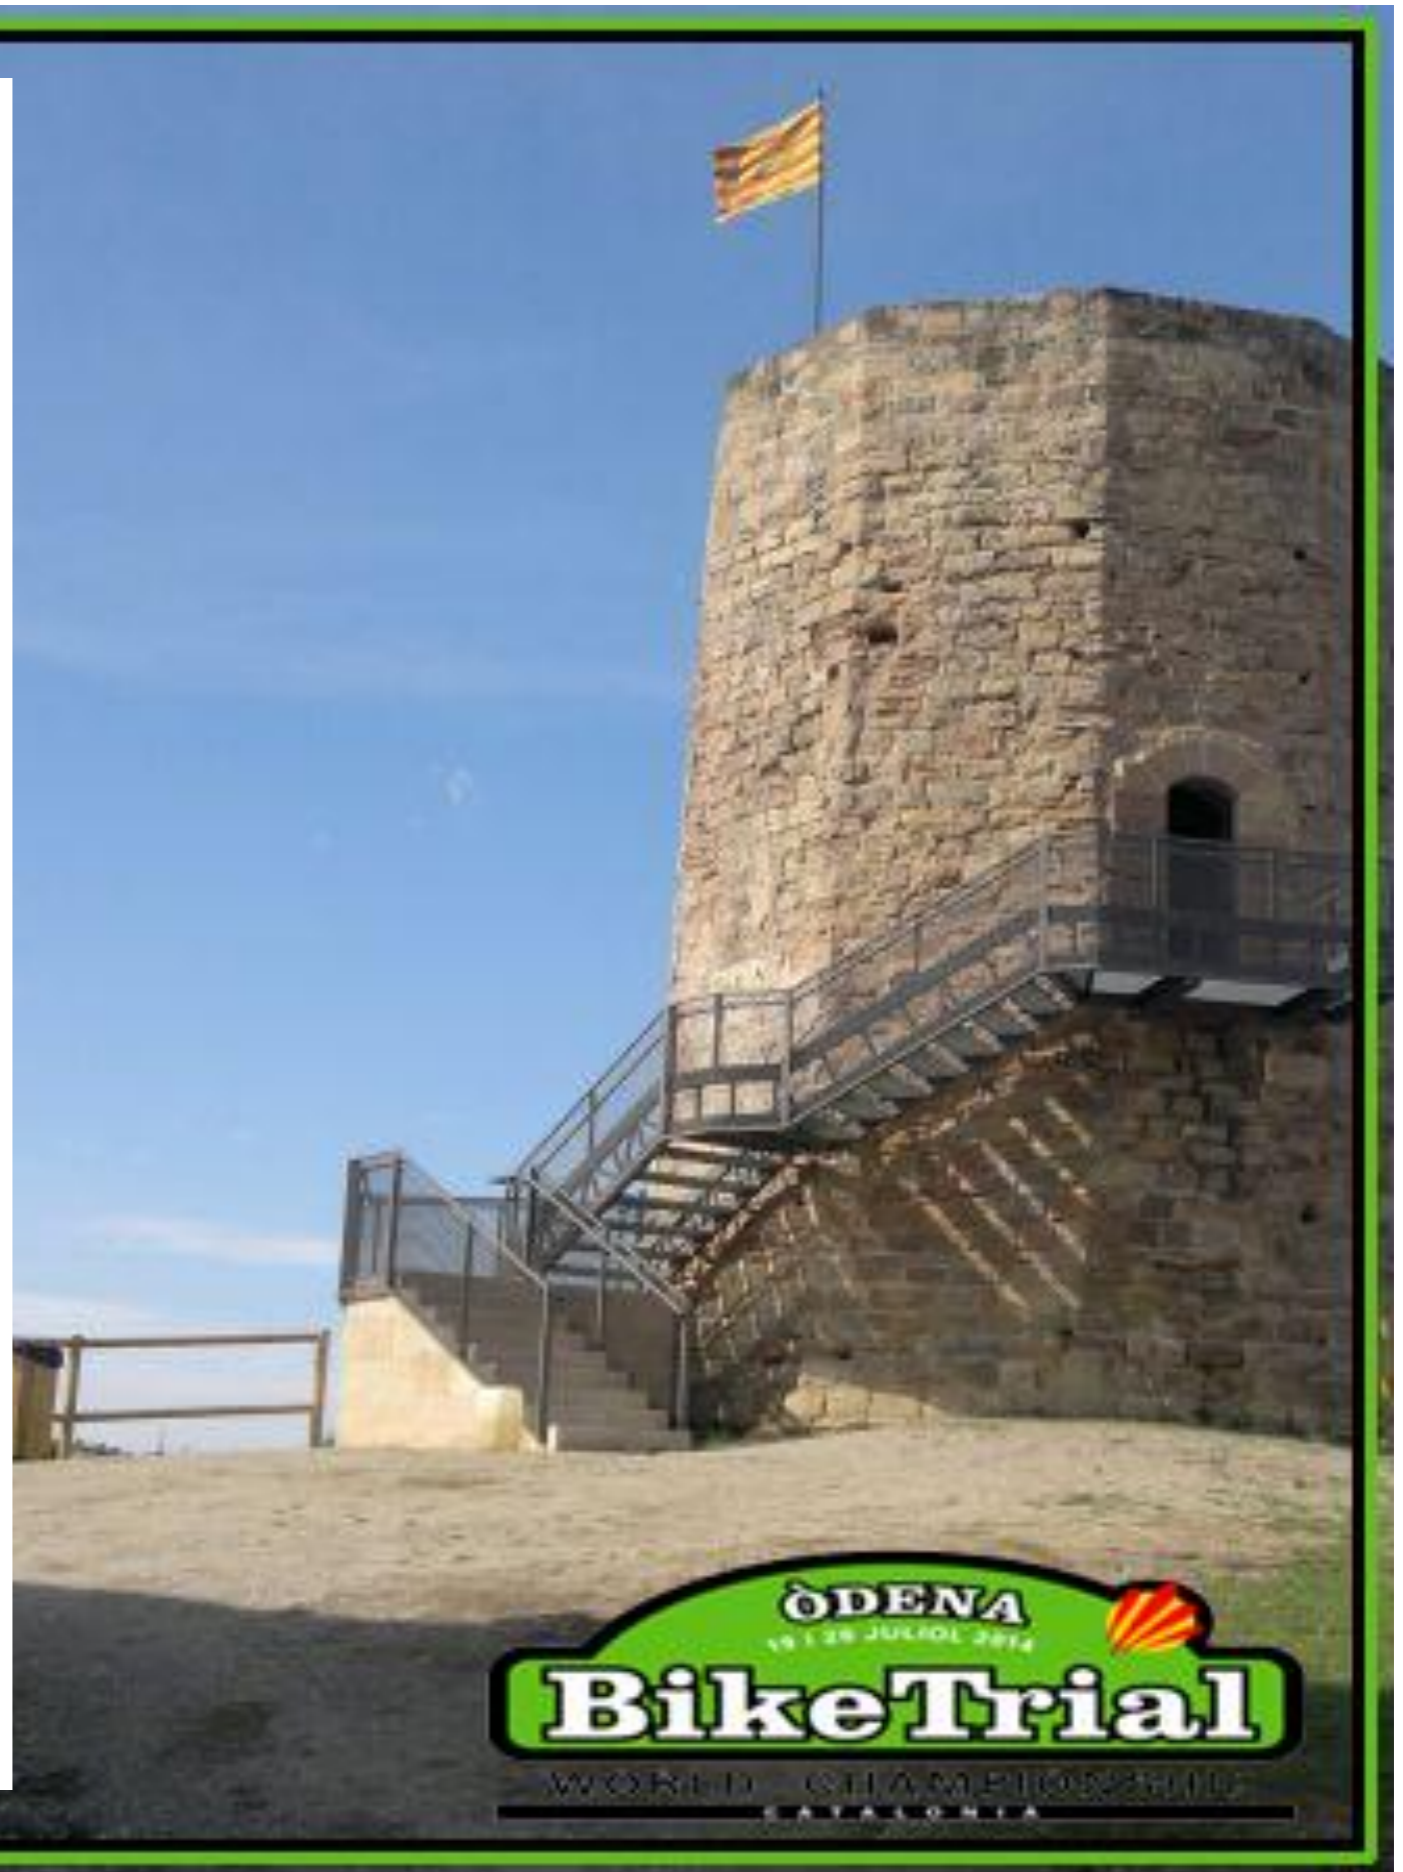

The organisation will not give accident insurance to the pilots because each pilot has to have his own insurance.

HOSPITALISATION

The organiser will give the minimal medical services during the competition. If it was necessary any hospitalisation, it would be given the ambulance service until the hospital. All the hospital services that are out of the insurance cover necessary for the athlete, they will be paid by the pilot. There will always be at least one ambulance in the race.

CATEGORIES

The competition is organized in accordance with international technical standards BIU, mod.19, and the categories are:
