Welcome from Ms. Annalisa Motzo, Bolotana Mayor

On behalf of the **City of Bolotana** I give the best welcome to all participants in the World BikeTrial Championship 2018.

Our town accepted joyfully the proposal of Bike Club Bolotana Association to organize this new event, we will collaborate with them to give you the best experience in our beautiful land. Sardinia is a treasure chest you will have the opportunity to discover during this event. We are waiting for you here in Bolotana, in the center of the Mediterranean sea. You are welcome.

*Annalisa Motzo*

Welcome from Mr. Francesco Deriu, President of Bike Club Bolotana A.S.D.

Dear Riders and friends of the BikeTrial,

I am particularly happy to have had the opportunity to organize the **World Biketrial Championship 2018 in Bolotana**, in my beautiful land. After the exciting experience of the European Champion 2016, here we are again to get involved for the most important sport event for the BikeTrial.

I am sure that the beauty of the territory and the renowned hospitality of my fellow citizens will be remembered by all participants, riders and family, in a positive way. The characteristics of the terrain, with rocks of different sizes present both in the undergrowth and exposed to the warm Mediterranean sun, will certainly be appreciated by members in any of the present categories.

The locality of Ortachis, located at about 1000 meters of altitude., has always been appreciated in the periods of greater heat due to its cool and temperate climate. For local youth it is a tradition established over time to move for several days from the village of Bolotana in this mountain resort.

We are working hard to ensure a great success at the event, we will present our region so that it remains a good memory and that you can enjoy our great hospitality.

I would like to thank the BIU for the trust placed in our club and the Municipal Administration for the support given to organize the event.

*Francesco Deriu*

Welcome from Mr. Giuliano Gualeni, Italian BIU Delegate

Dear Riders, the **World BikeTrial Championship** return in Italy after 6 years, thank to the Organizer for this great organizative work.

The peculiarities of Sardinia Island will make it this event even more special. All Italian people love this amazing region, for the sea, for the natural beauty and, especially, for the strong people that live there. Come to the WBC 2018 and meet them.

Francesco, Christian, the City of Bolotana and all people involved in the great Organizer Team are on work for you. Call your friend guys, call all BikeTrial's Riders you know and come in Sardinia for this WBC edition. We need you.

Sections will be 100% natural and the competition will be very strong: Strong like Sardinian people.

Do not miss the World BikeTrial Championship 2018.

*Giuliano Gualeni*
